

Froggy-in-the-Water Cupcakes

The swamp may be a great place to hang out if you're a frog, but you have to be on the lookout for hungry gators, just like the peepers on these cupcakes.

INGREDIENTS:

Blue food coloring	12 large green gumdrops
1 cup buttercream frosting	2 dozen white chocolate chips
1 dozen baked cupcakes	Black decorators' icing

DIRECTIONS:

1. Stir drops of food coloring into the frosting until you have a shade of watery blue. Frost the cupcakes.
2. For each cupcake, create a pair of frog eyes by slicing a gumdrop in half. Press a white chocolate-chip tip down into the cut surface of each gumdrop half, centering it near the bottom edge. Squirt a dab of black decorators' icing onto each chip.
3. Set the frog eyes on the cupcakes, gently pressing them partway into the frosting to hold them in place.
